

Provincial Scholarships Program – Important Changes.

A comprehensive review of the Provincial Scholarships Program took place in spring 2015. Feedback was gathered from students, parents, teachers, counsellors, administrators, employers, and education partners. A report summarizing the consultation results and making recommendations lead to the development of the redesigned program. Changes will be phased in starting in the 2015/16 school year and be fully implemented in the 2016/17 school year.
