

'uy' skweyul, Good Day Students, Families, and Caregivers of Wellington Secondary

We hope you all are enjoying the remaining days of summer. The administration team and staff of Wellington Secondary are looking forward to meeting learners and families to welcome you as part of our learning community.

Opening Day – September 2nd:

Grades 9-12 – 10:15am to 11am – Homeroom lists will be posted, please go directly to your homeroom.

Grade 8s – Please arrive at 11:45am and you will be directed to your homerooms. Lists will be posted at the front entrance of the school. Students will remain at Wellington Secondary from 12pm – 2pm before being dismissed.

New Registrants:

New students are offered a tour on Thursday August 28th at 1pm. Please meet in the front entrance, where you will be greeted by a staff member.

Student Schedules

Wellington Secondary is very full, and we have very little flexibility for students requiring schedule changes. Please remember that student timetables are built based on a student's requests and alternates selected during course selections last year. However, despite all our best efforts, we cannot always fulfill all requests. Any course change will be based on programming needs only.

Grade 8s will receive copies of their schedules when they arrive on the first day.

Grade 9-12 students need to access their schedules via the MyedBC Portal. The portal is used for timetables, course selections, report cards, and you can even track daily attendance. Not all people find it easy to get on the portal; however, we request you try your best.

<http://www.myeducation.gov.bc.ca/aspen> If you require a password reset or help logging in, please see the documents attached to the email. Student unable to access their account will be supported in getting their timetable on opening day.

If you are requiring changes to your timetable, our counselling team can help. Please email

- Students last names H-O - Kate Gustafson kate.gustafson@sd68.bc.ca

There will be a course change process beginning September 3rd for those unable to connect ahead of time.

School Supplies:

What works for each student and class can be quite different as we offer many different learning opportunities. In general, a binder with lined paper, pens, pencils, a scientific calculator and a water bottle are needed. Teachers will let students know if there are any special requirements for their classes. If the cost of the school supplies is a concern and you would like support, “Stock the Lockers” is here for anyone with financial need. Please see a counselor or a child and youth family support worker for access.
